

### About IELPO

The University of Barcelona's Master of Laws in International Economic Law and Policy features 10 months of learning from many of the most renowned experts. The IELPO LL.M provides students with the means to apply a pluri-disciplinary approach to problem solving.

### Field Trips

Group and individual meetings in the field trips to Geneva and Brussels with personalized agendas for the students.

### Career Service

Periodical individual meetings to provide counseling according to students' prospects and expectations.

### Moot Court and Simulations.

IELPO sponsors the ELSA Moot Court Competition. IELPO students participate every year in the Oikos Model, Foreign Direct Investment International Arbitration Moot and the IELPO Moot Court.

### Activities

IELPO's modules are complemented with the development of skills, such as English Legal Writing, public speaking, teamwork and advocacy. IELPO students also have seminars, a Law Clinic, a supervised Research Paper and a visit to the Port of Barcelona!

### Tablet Programme

IELPO's paperless policy allows students to have access to a co-paid tablet, following an environmentally friendly approach.

### À la carte courses

IELPO offers the possibility to take individual courses. Visit our specialized courses section at [www.ielpo.org](http://www.ielpo.org).
